**Sunday, August 17th,
2014**

10am – 2 pm
(Rain or Shine)
No Registration fee

A perfect event if you are just considering beekeeping and would like to meet beekeepers, engage with the expertise of OBA Technology Transfer Program Specialists or speak with Paul Kozak, Ontario's Provincial Apiarist. You can participate in the live Queen Bee Auction to support honeybee health research and peruse the assorted OBA promotional items. You will also have the opportunity to experience beekeeping hands-on during the field sessions which will be topic related and will rotate on 20 minute intervals.
