

## Annual General Meeting and Conference 2015

Thursday, November 19 and Friday, November 20

Holiday Inn Peterborough Waterfront

**Raise your profile and meet your customers and prospects  
as beekeepers begin planning for Spring 2016**

**Fax registration to 905 636.0662 or call 905 636.0661 today.**

### Exhibitor Information

Hot on the heels of the success of OBA's well-attended Spring Meeting in Blue Mountain, and the rare gathering of beekeepers at EAS 2015 in Guelph this summer, we're expecting at least 150 beekeepers to attend both days of the OBA's AGM and Conference.

The conference program is content-rich, will appeal to large commercial beekeepers and new or small-scale beekeepers alike. We have built a program that ensures high visibility and interaction for exhibitors and delegates, including a pre-conference reception with exhibitors on Wednesday evening and meals and breaks that ensure a good flow of traffic. This is a perfect setting for engaging prospects and building contact with your customers for the upcoming season.

### Sponsorship Opportunities

Do you want to leverage your Exhibitor profile? Or, maybe you'd like the profile but don't have the time or people to staff an exhibitor table? Become a Sponsor!

**Call us.** We'll customize a sponsorship package for you that fits your customer engagement strategy and budget, such as:

- sponsor a conference lunch or refreshment break
- sponsor a speaker or a conference session with a topic that aligns closely with your product or service
- sponsor the **HEX** (OBA's new Honey Exchange – delegates bring 3 jars of honey and take 3 jars of honey in order to sample Ontario's unique and diverse terroir).
- Sponsor the Honey Tasting conference workshop or the Honey Flights at the Buzz Banquet, the conference gala.
