

A Little Winter Reading

OBA Conference Presentations

Many of the presentations made at last month's OBA AGM & Conference are posted for your reading / learning / reviewing pleasure.

So, whether you attended or not, here's another opportunity to cozy up for a long winter's night and leverage the information that was delivered.

Presentations are provided to enhance beekeeper learning. They are not to be referenced, reproduced or distributed without express permission of the author(s). All files are provided in PDF format. If you are having trouble loading the files/pages, please update your PDF reader extension within your web browser.
