

# Pollination Guelph

## PHOTO CONTEST

Pollination Guelph is looking for your great Pollinator Photos! Photos will be narrowed down by volunteer judges, and then the finalists voted on by attendees of the 2014 Pollination Guelph symposium. The most popular photo will win a gift certificate for a local, pollinator-friendly product.

Submit your photographs to [pollinationguelph@gmail.com](mailto:pollinationguelph@gmail.com)  
by **March 17, 2014.**

A maximum of 5 digital photos per person may be submitted. In the body of the e-mail, please include the photographer's name, mailing address, phone number, e-mail address and description of photo (location, etc.). Photos must have been taken in Ontario and include a potential pollinator. The bee, fly, butterfly, moth, beetle, or hummingbird could be on a flower, in a hive or nest, on a host plant, or some other location that shows it as a potential pollinator. By submitting a photo you give Pollination Guelph permission to use it in the course of their work; however, copyright of the photo would remain with the photographer.

Pollination Guelph Symposium:  
Saturday, April 5th, 2014  
Trinity United Church  
400 Stevenson St N
