## Palais des congrès de Montréal

Since 1983, the Palais des congrès de Montréal has hosted over 5,900 events, more than 15 million visitors and has built a reputation for excellence the world over. The Palais is located only 20 minutes from the city's international airport

Canadian Honey Council

## Palais des congrès de Montréal

The Palais des congrès de Montréal is strategically located in the downtown core of the city, connecting the Business District, the International Quarter, the Entertainment District, Chinatown and the Health District.

The Palais is close to 14,000 hotel rooms and linked directly to 4,000 rooms through the city's Underground Pedestrian Network.
